I have released you 1 month salary including your air ticket and the pending 13,878 from the two month salary after deductions will be banked to you directly by us. Also we will include the 3000 MVR Mr.Collin has requested us to pay on

Dear Mr Patrick,

Yes your one and a half month salary is pending and below i have mentioned the breakdown.

Description	\$	MVR	Month	Remarks
Salary	300	4626	July	Half month Salary
Salary	600	9252	August	Full month Salary
IGT Domain	194.5	3000		Domain Charge Payable to Mr.Collin
Total		16878		

As mentioned in the above mail, we wanted to take the burden of your pending payable from Mr.Collin and settle the domain charge payable from us to Mr.Collin to be paid to you as a mutual understanding between our company and Mr.Collin.

However at this very moment we have not taken the IGT domain and also we strongly believe that we should not interfere in your matters with Mr.Collin. Please speak to him and get your dues settled to him as we are unable to pay you for the 3000 MVR domain charge as a swap.

With regards to the balance 13878 we will settle this as soon as possible. The delay is due to the MACL PO APC Symmentra Battery Modules and License PO number # : MACL/2019/14338, where you have quoted for 45,855 MVR (2973.7\$). The supplier from Sri Lanka Tyax Pvt Ltd has informed us the product is not available in Sri Lanka throughout and will be shipped from the Phillipines and the CIF price as 2915 \$. This the price without Taxes or freight charges.

we are at this moment trying to see how best we can manage the situation. Please note that MACL has kept us accountable for this transaction and it will be a very big issue for our company going forward with MACL. Upon resolving the matter we will settle your salary since this was quoted by you under your tenure. We have no plan to hold any of your dues Mr. Patrick and kindly wait for us to settle this matter and get back to you as soon as possible.

Regards - Roy
