"The Company,

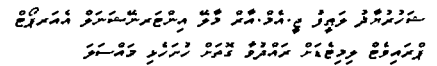

- a. Will pay Basic Salary and other applicable allowances for the first six months of the training (as per agreement between the staff and MACL; due to the privatization of Male' International Airport the expenses for the remaining period of

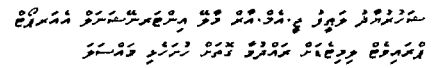

the training will be decided by the new management),

- b. Neither guarantee the present job to be available for the staff upon completion of this training nor promises the sponsorship of the remaining 2(two) years of the training as it will be decided by the new management after the takeover of Male' International Airport during November 2010."
